

WHO ARE WE?

- A team of health and social care professionals with extensive relevant sector experience.
- FREE TO USE service for care homes.
- Trusted Assessor service is managed by the Registered Care Providers Association Ltd working on behalf of care providers in Somerset.
- The Trusted Assessors are now celebrating 4 years of service.

TRUSTED ASSESSOR RESPONSIBILITIES

- In person assessment and review of care needs for returning or new residents.
- Support care homes with assessments in acute hospitals including community hospitals across South Somerset.
- Facilitate timely discharges back to the care home or new placement.
- Liaise with MDT, ward staff and families.
- Provide written assessments to care providers to ensure care needs are up to date, appropriate and person centred.

PROVIDER RESPONSIBILITIES

- Decide whether a patient is accepted or able to return to the care home.
- Confirm and facilitate funding.

OUR GOALS

- Aim to improve patient experience and reduce delays in the transfer of care.
- Provide care homes with transparent and independent assessments for medically fit residents in hospital.
- Complete assessments in timely manner to reduce patient stays.
- Ensure patient's level of care needs remain appropriate and highlight any changes to enable safe transfer back to the care home or new placement.
- Establish working relationship with care providers to build trust as an independent service.
- Provide a person centred approach to assessments.
