Marr Procurement is a values-based organisation delivering savings for the care sector

Market Research Feedback

Market Research: February 2022

Our recent clients

Care providers are facing costs at an all-time high – we hear from our clients all the time

“I have never known Food and Energy prices so high”

“our agency costs have doubled in the last 2 years and are still rising”

“we really struggle with compliance, and getting savings to stick”

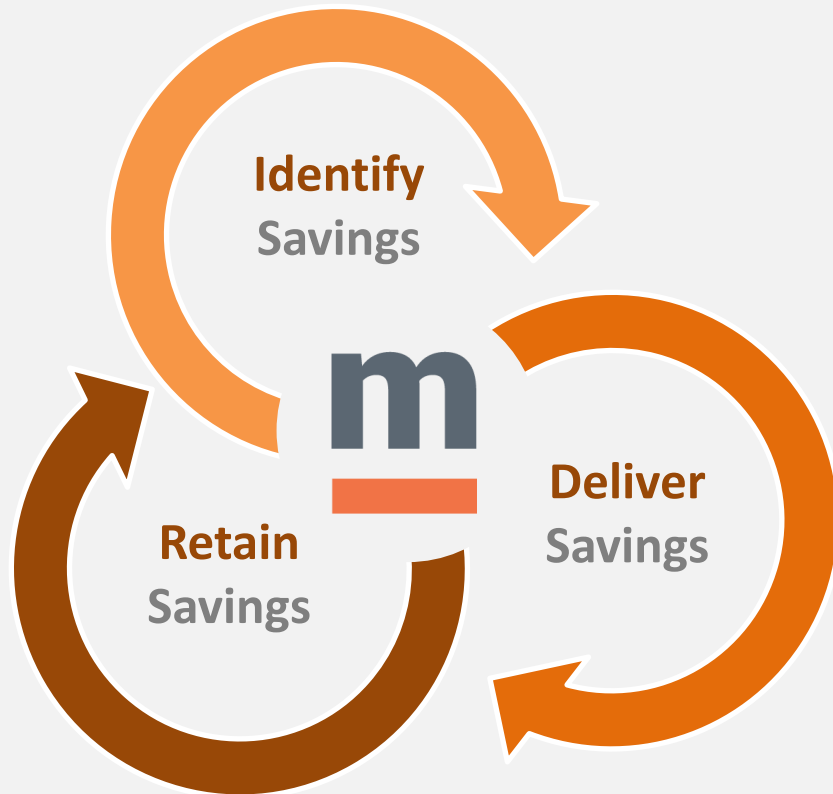

“headline rates of inflation mask much higher rates in certain costs”

“I am finding that suppliers are less willing to negotiate”

“I worry about the cost-of-living impact on my people, and on my people costs”

A proven track record – consistently delivering for our clients

An integrated approach to our services through a tried and tested savings methodology

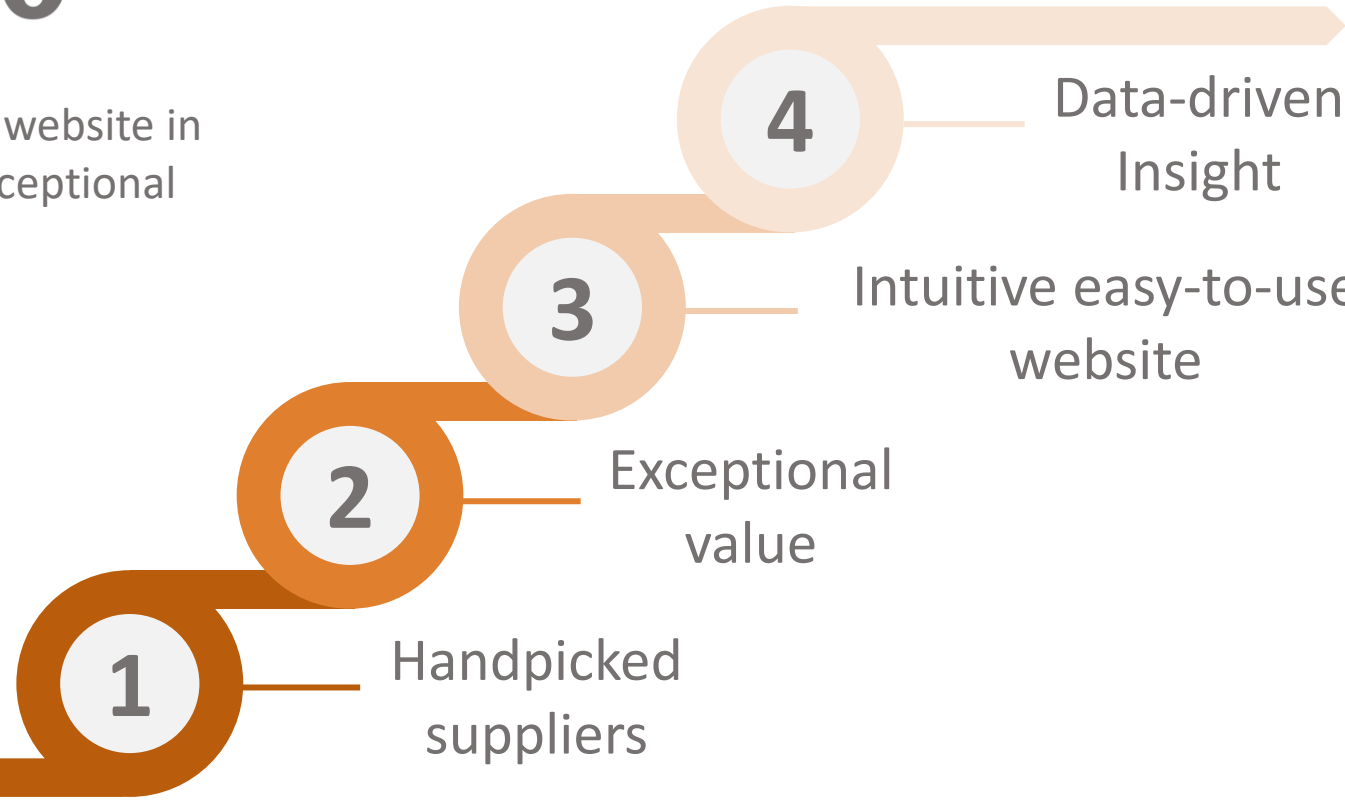

Over 200 sourcing projects completed, all **delivered tangible and auditable savings** without compromising on care or quality

Welcome to marrgo:
